## The UNexplored West!

You can cross the Sind desert or dare the trails of the Adri Varma Plateau. You can sail to Yavdlom or trek through the frozen wastes of Hyborea. Beyond lies Western Brun, the unexplored and unknown part of the continent. Only some incomplete and perhaps unreliable maps and reports describe the Western lands, all that remains was left by the few explorers who went that far. Yet many people, humans and not, call the West their home. Maybe you could find a guide among them, a saviour, a friend, or maybe a mortal enemy.

From the lost Sylvan Realm of the elves to the mythical Urzud, to the Yalu Sea and south to the Savage Coast and the Arm of the Immortals, behold the vastness of the unknown Brun!
