The Mystara Magazine

Skothar Revealed!

The Eastern Continent of Mystara is explored for the first time in these pages, highlighting and expanding all the fan works done so far to populate and develop Skothar! Travel to the lands of the rakasta, or discover the great Empires of the East, ready to leave their mark on the whole world. Search for the dangerous technomagic items of lost Blackmoor, or fight against those who try to seize them to spread devastation and terror!

Discover hidden Beholder cities, the treasures of ancient Thonia and the ruins of the Duchy of Peaks. Face the Tigers of Kuraman, or escape from Returned Blackmoor!

The immense plains, the great forests, the high mountains and the ancient ruins of Skothar wait for brave adventurers ready to face ancient secrets and new threats.
