The Mystara Magazine

## 25 years of treasures in the Vaults of Pandius!

In this new issue of *THRESHOLD Magazine* we celebrate the 25th anniversary of the Vaults of Pandius and its treasure of Mystara material!

Shawn will guide us through an overview of the Vaults' history and Havard through the wonderful fan material stored in its pages. Then Thorf, after celebrating also the 40 years of X1, the first official 'Mystara' product, will start a new series on Mystara fan mappers, covering in the first installment the marvellous works by Geoff Gander.

Then with Agathokles in the wilderlands of Karameikos and through the history of the Isle of Dawn, a very big generator of Mystara monsters and animals by Francesco Defferrari, a rakasta tavern in Thyatis city by Lost Woodrake, a look behind the machinations of the Hulean Wars by LoZompatore and a catalogue of the scaring monsters of Returned Blackmoor!

All this can be found only in the latest issue of our favorite magazine!
